Dear Wade:

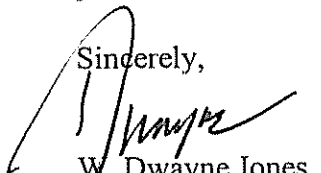

Thank you for your interest in Preservation Dallas and the Seventh Annual Preservation Achievement Awards. We received a number of impressive submissions for awards including the Dallas Power and Light property and the Interurban Building.

The jury deliberated for almost two days and reviewed all the submitted materials.
* Congratulations are in order as the above mentioned properties were selected as winners of the Preservation Achievement Award in Urban Revitalization.

We hope you will consider attending on February 24th for the announcement of the 2006 Preservation Achievement Award winners. "A Texas Original" will be capped with a toast to Frank Welch, F.A.I.A., recognizing 50 years of accomplishments in Texas regionalism and preservation of our built heritage. Please join us as we salute his award winning architecture. We look forward to seeing you at the banquet!

The opportunity to purchase tickets or tables is available on our website. If you have any questions, please contact Donovan Westover. Otherwise, we will be in touch with you concerning additional materials for display at the event. We would like to thank you, again, for your submission.

Sincerely,

W. Dwayne Jones
Executive Director
